Dear Chris,

We received a Gold King Mine Ops Update from you on August 20, 2015, but have not received an update for August 21, or 22.

We need this information to compile the Daily Report as requested by the IC.

Can you please forward us this information, and please continue to send this data each day until the directive to compile this report has been withdrawn?

Thank you in advance for your help.

Sincerely,  
Michael Davis, PIO/JIC Manager
